

Dear Parent/Guardians,

Here is a quick outline of the learning experiences your child will have over the Spring term.

Outdoor Learning

Our woodland sessions have changed to every **Thursday** and will restart on the **16.1.25**.

Woodland days take place in all weathers, could you please ensure your child has wellies(to be left in school) and a warm coat?

Every other week we will be working with the class Melangell during our woodland days. The children will get to explore the outdoor areas around the yards and in the woodland.

Dosbarth Meithrin

Happy new year!

We are welcoming a group of new children into our class this term. We look forward to helping them settle into our class and make them feel welcome.

Please clearly label all your child's clothes, including their tie, shoes, hats and gloves. This makes things easier for staff to ensure your child brings home all their belongings each day.

We will be on the gate every morning to welcome everyone to school, but as you've seen it can get quite busy, so if you have any questions or concerns please give the school a ring and I'll get back to you.

Classroom Work

This term we will be looking at materials and using the story 'The Three Little Pigs' as inspiration.

The children will get to experiment and explore a variety of materials through play. They will participate in a wide range of activities and experiences to encourage independence, curiosity and perseverance.

We are hoping to arrange a trip for the end of the term (April). Just a little heads up, the children will need to be accompanied by an adult.

Things to Remember

Remember the children will need to bring fruit for the morning session and place it in the fruit box by the gate each morning.

The children can bring their own water bottle to school to drink throughout the morning. Please clearly label.

Health and Wellbeing

Our wellbeing sessions will continue each **Wednesday**. They will restart on **8.1.25**.

On these days pupils need to wear PE kit to school, which is grey tracksuit bottoms, white polo shirt, trainers and school jumper or cardigan.

Keep Updated

Keep update with class activities by following the school and teacher Twitter and Facebook pages.

@missilesyp

Homework and Reading Books

Reading books will be sent home weekly with your child to enjoy (**Friday**). The books will need to be returned on a **Tuesday**.

There is a homework menu full of a variety of activities for you to complete with your child. You can complete the activities throughout the term. Don't forget to share what you've done on Seeaw app.
