Pupil Voice Committee Elections

On Friday we were able to announce the results of our school pupil voice committee elections. All pupils were given the opportunity to put forward their manifesto to become the chair, vice chair, secretary and treasurer of each committee. Each year group then elected two members to represent them as part of the school council. We pride ourselves in Ysgol Gymraeg Penalltau on giving opportunities to all pupils from year 2 – 6 to be part of these committees, and be the real driving force for change and improvement in the school. Below are the pictures of the 4 senior members of each committee for this academic year as well as our wonderful elected members of the school council, including our year 6 prefects.

Flu Immunisations

The school nursing service will visit the school to offer pupils a nasal flu spray vaccine on Monday, 14/10/2024.

The NHS recommends that your child has a flu vaccination every year.

It's very important to protect your child from flu to make sure they stay as healthy as possible. The best flu vaccine for most children is a nasal spray. This is the vaccine that will be given on the day.

The online consent form and additional information can be found here:

<https://linktr.ee/schoolflujab>

To help make sure the vaccine is suitable for your child, and they don't miss out, please take time to read the information and follow the link to complete the electronic consent form as soon as possible, before the planned vaccination date, no later than 48 hours before the above date. This means that you need to complete the form by the end of the day on Monday, 23rd of September. Any consent forms submitted after this time may result in your child not receiving their vaccine on the day.

Should you have any difficulties accessing the above link, please contact 01633 431685 for further support.
