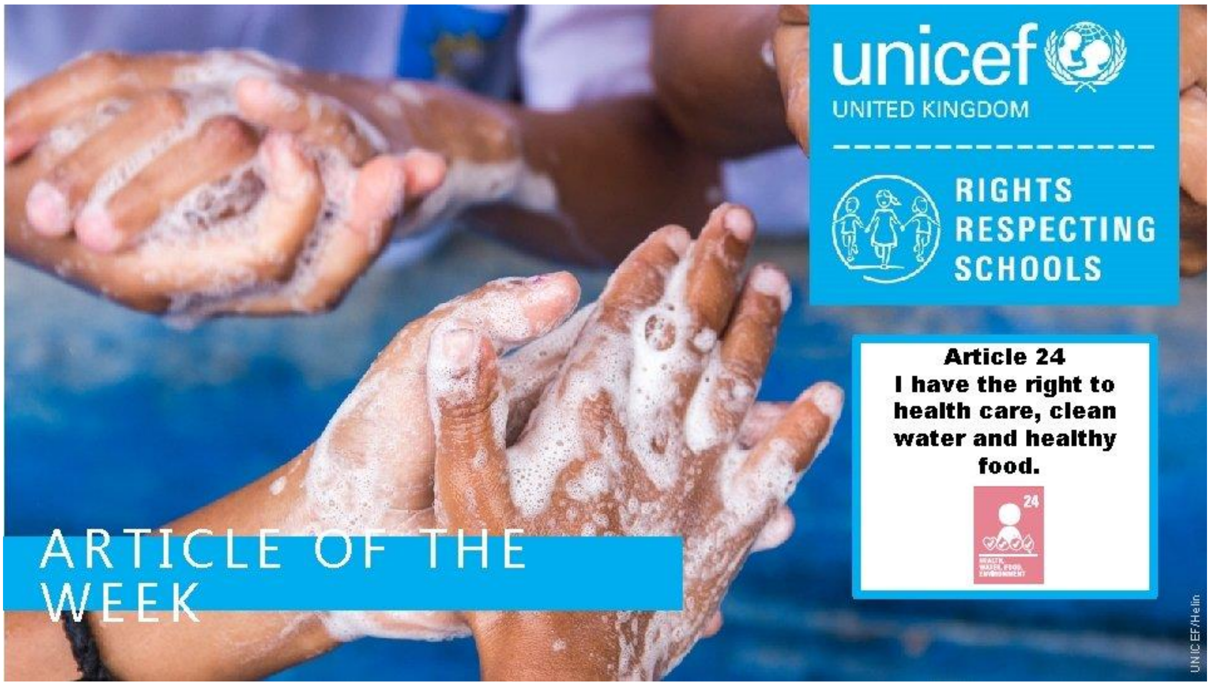
Annwyl Deuluoedd,

PAWB
Hawliau Plant UNICEF

Yr wythnos hon, rydym yn canolbwyntio ar Erthygl 24 o Siarter Hawliau Plant UNICEF.

Mae’r erthygl hon yn datgan bod gan blant yr hawl i’r safon uchaf o iechyd, ac i gael gofal meddygol pan fo angen. Yn Ysgol Penalltau, rydym yn trafod sut mae iechyd yn golygu mwy na dim ond peidio â bod yn sâl – mae’n cynnwys bwyta’n iach, cael digon o gwsg, ymarfer corff yn rheolaidd, a gofalu am ein lles meddyliol hefyd. Rydym yn annog disgyblion i feddwl am sut mae’r ysgol yn cefnogi eu hiechyd – o fwydlenni’r ffreutur i glybiau chwaraeon, ac o sesiynau lles i amseroedd gorffwys. Mae’n bwysig cofio bod iechyd da yn rhoi’r egni a’r ffocws i ddysgu, tyfu a mwynhau bywyd ysgol.



Os ydych chi eisiau darllen mwy am yr hawl hon i blant, mae adroddiad 2018 gan Gomisiynydd Plant Cymru yn rhoi mwy o fanylion.

EVERYONE
Children’s Rights

This week, we are focusing on Article 24 of the UNICEF Children's Rights Charter. This article states that children have the right to the highest attainable standard of health and access to healthcare when needed. At Ysgol Penalltau, we’re exploring how health means more than just not being ill – it includes eating well, getting enough sleep, exercising regularly, and looking after our mental wellbeing too. We’re encouraging pupils to think about how school supports their health – from the canteen menus to sports clubs, and from wellbeing sessions to quiet time. Good health helps us have the energy and focus to learn, grow and enjoy school life.

If you want to read more about this children’s right, a 2018 report by the Children’s Commissioner for Wales gives more details. https://www.childcomwales.org.uk/wp-content/uploads/2018/04/Play-FINAL.pdf

School Development Priorities – Part 3

Our School Development Priorities – Part 3
Our third strategic priority for the 2025–2026 academic year focuses on: Further Developing Pupil Independence.

At Ysgol Penalltau, we are committed to nurturing independence in our pupils by enhancing the use of our Unique Framework, developing learning provision areas that promote self-direction, and offering more opportunities for inquiry-based learning.

By creating learning environments that encourage children to think for themselves, make choices and solve problems, we are preparing them for life beyond school. Inquiry-based learning allows pupils to explore ideas, ask questions and develop critical thinking skills.
We believe independence is key to confidence, motivation and long-term success.

If you have any suggestions that could help or support us in achieving each development priority, please note them under the relevant priority via the link below.

Gwahoddiad gan / *An Invitation from:* *Ysgol Gyfun Cwm Rhymni*

Dear Parents/Guardians of Year 6 pupils

As a school, we’re aware that this is a key year in your child's life. We’re also aware that you’re about to submit your application to the County stating your preferred choice for your child’s secondary school. Therefore, in order to avoid any

unnecessary worry and to commence our robust communication process with you, it is my pleasure to invite you to our Open Evening on Thursday, 2nd October 2025 at the Gelli Haf site between 4:30pm and 5:30pm.

During the evening, we will be sharing important information about the school. There will be an opportunity to have a tour around the school and meet some members of staff. Your children are also welcome to attend so that they can also see our wonderful facilities. We very much hope that this evening will reassure you and be a great way of creating a ‘buzz’ of excitement amongst the pupils regarding their transition to secondary school.

We very much hope that you will be able to attend and look forward to welcoming you to the school.
