Parent Teacher Association Meeting

We extend a warm invitation to you to join us for the upcoming PTA meeting on Tuesday, March 10th at 7pm, which will be held at the Plough pub in Cascade. The Parent Teacher Association plays a vital role in our school community by fostering collaboration between parents and educators. Through their dedicated efforts, they help organize events and activities that enrich the educational experience of our children. We have a lot planned for this year and we need your help!

One of the PTA's key contributions is fundraising. The money raised directly benefits our children by funding essential resources, supporting extracurricular activities, and improving the overall learning environment. Your participation and support is essential to continue these efforts, as they enable us to provide even more opportunities and improvements for our children

We encourage as many parents as possible to attend and participate. Your presence and input will help to strengthen our school community and ensure that our children receive the best possible education.
