Summer Term

Theme: Our Wonderful World

Dosbarth Blodeuwedd

Main Course

Choose 2-3 to complete over the term.

- Research some of the plants that grow in the rainforests.
- Choose an animal and create a fact file/infographic [Adobe Express Hwb] to introduce the animal including its diet, habitat, interesting facts, where is the world they live etc
- Create a model of a food chain
- Research and locate on a map of the world some of the world's weird and wonderful animals.
- Write a poem or a story about a place that is special to you.
- Do something to improve your cynefin [local area] e.g. plant some flowers or collect some litter
- Research and collect numerical data about a country of your choice e.g. population, distance from Cardiff, length of its coastline etc

YEAR 6

- As this is the last term of your final year, it would be wonderful if you could share your memories of Penalltau with the rest of the class. You can do this anyway that you wish (make a yearbook/memory book, create a video or make a powerpoint)

Starters

- Read for pleasure and your set text weekly. Remember to return your reading log and book EVERY
- Continue to master the 6,7,8,9 and 12 times tables. Make links with known facts $6 \times 7 = 42$ so what is 60×7 or 6×0.7
- Use everyday situations work on your analogue and digital time skills
- Practise handwriting

Pudding

- Create a poster encouraging people to reduce, reuse and recycle
- maybe include information about what can and cannot be recycled or your nearest recycle centre.
- Design a new animal for the rainforest.
- Look at the work on Kyffin Williams and his landscapes of Wales, use this to inspire your own artwork.
